Pink Bollworm Eradication Program

(For Distribution and Use Only in the State of Arizona)

ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of planting.
- Read the Product Use Guide for WideStrike[®] x COT102 Insect Resistant Cotton Seed before planting. Carefully follow all precautionary statements and applicable planting and management requirements.
- Use of WideStrike[®] x COT102 Insect Resistant Cotton Seed according to this supplemental labeling is subject to all use precautions and limitations imposed by the Grower Agreement and/or Product Use Guide for WideStrike[®] x COT102 Insect Resistant Cotton Seed.

Directions for Use

Pink Bollworm Eradication Program: The following requirements apply only in the Arizona counties of Yuma, LaPaz, Mohave, Graham, Greenlee, Cochise, Pinal, Pima, Gila, and Maricopa participating in a sanctioned program for the eradication of pink bollworm where sterile PBW moth technology (SIT) is an integral component. An individual grower may plant up to 100% WideStrike[®] x COT102 cotton. Both Bt and non-Bt cotton must be treated with sterile moths at the USDA/APHIS recommended rate. Growers must comply with all other cultural requirements of the eradication program.
